Shirts are 5.4 ounce 100% pre-shrunk cotton. All shirts are black in color. All shirts are **PRE-ORDERED**. This project is not KBEMS funded in any way nor has state funds been used. Therefore, I can't afford to buy the shirts ahead of time and have them on hand. If you want to order multiple quantities, please attach a form with the quantity and sizes you need. This is purely a grassroots effort for folks to have something to remember this year's historic work. I am in no way trying to make a profit on this project. **Unless otherwise indicated as to your preference, all shirts will be delivered to your EMS service as a bulk order. This will keep shipping cost down and the price of the shirts down. If you have faith in the USPS and want your shirt mailed to your personal address I'll do so, but I do not guarantee delivery through our government unless you want to pay extra for insurance and delivery confirmation on the parcel.**

Thanks! Delivery may take 4 - 6 weeks (or sooner).
